

ENCOURAGING THE  
**CONSERVATION**  
OF OUR WILD  
FURBEARING RESOURCES

Dear Sir or Madam,

The Pennsylvania Trappers' Association will be holding our annual fundraising banquet on August 13, 2022 at the Warrior Run Social Hall, 196 White Deer Ave, Allenwood PA 17810. It is an evening of fellowship, family fun, and entertainment that has an annual attendance of well over 200 people. Activities include drawings, raffles, live and silent auctions with prizes geared to everyone including kids, and more!

With the world around us changing by the day, it is more important than ever to continue our investment in protecting many of the longstanding traditions and heritages many of us grew up with and look for the next generation to continue. Trapping, is one of those heritages that needs to remain just as much a part of our future as it has our past. Events such as our banquet provide great opportunities to educate the general public, as well as raise the proper funding to ensure the future of trapping not only in Pennsylvania, but all across our great nation.

We can't do it alone though. It takes all of us working together- trappers, hunters, and other outdoor enthusiasts alike to ensure the heritages we enjoy continue. So are you willing to invest in that future? If you are, we would appreciate anything that you would be willing to donate towards our banquet. Whether it is a product, trip, service, or other monetary contribution we rely on such donations to raise money to invest back into trapper related education, events, as well as other causes and organizations the association supports. Again, it takes us all working together.

If someone from your business will be attending our state Rendezvous in Honeybrook, PA on June 16-18th, you can make your donation there, to save you the cost of shipping. Please contact one of our members listed below to make arrangements regarding donations. We hope you that will join us in an effort to make our banquet a great success. If you would like a receipt for your donation, please contact one of our members listed below. Thank you in advance for your time, consideration and valuable support in our efforts to protect our future and great heritage!

Sincerely,
