AUGUST 28, 2027

8 AM to 5 PM (RAIN OR SHINE)

HOSTED BY DISTRICT 8 PA TRAPPERS ASSOCIATION

District 8 of the PA Trappers Association will be holding a trapper training school at Shippensburg Fish and Game on Saturday, August 28, 2027.

This school is designed to help the beginner as well as the advanced trapper. The school will be open to male and female students of all ages and can be a family event. An adult must accompany children under the age of 12. The school is free to anyone who wishes to attend.

Trapping school is a one day, all day long, Saturday session. The school will start at 8:00 AM Saturday morning and wrap up around 5:00 PM. (You need to registered by 7:30 a.m.) Meals will be provided (Breakfast starts at 7:00 a.m. and we will serve lunch).

We have experienced instructors. They will share with you many years of information in a short period of time, so please bring a notebook with you. They will cover the entire trapping process; types of traps, trap preparation, trapping demonstrations on both land and water sets, skinning, fleshing and getting your catch to the fur buyer or tannery. We will also discuss trapping laws, license and seasons.

You will need to fill out an application for enrollment and pre-register (ASAP). We supply the traps and equipment that is needed for the school. You need to dress in proper trapping attire (Outdoor clothing, water proof boots, etc.).

If you have any questions about the school please call or text Eric Woy at 717-552-7413 or email at woyeric9@gmail.com
