# **"LET'S TALK TRAPPING"**

## **A HOW-TO SEMINAR ON COMMUNICATION ABOUT TRAPPING**

*During the 2021 Rendezvous in Clearfield, the PTA will be conducting two seminars detailing how to better communicate when speaking or writing about trapping related topics and how to promote trapping to ensure a positive public perception.*

- Who really controls wildlife management policy in Pennsylvania?
- Is trapping our right or our privilege?
- Anthropomorphism: Fantasy vs. Reality
- Words and phrases detrimental to trapping
- How public appearance affects the public image of trappers
- Maintaining a positive public image on Social Media platforms
- Dos and Don'ts of Trapline Photography
- How derogatory statements and repeating false rumors about wildlife management agencies can be detrimental to our trapping privilege
- Things to consider when presenting a trapping demonstration
- Dealing with wildlife violations and violators
- What to say and do when confronted by someone who does not support trapping
- PTA educational material available to trappers
